

CLEVELAND PLAIN DEALER, Sunday, February 25, 2001

Jory Vinikour, an American harpsichordist based in Paris, makes his debut on Delos International with an invigorating performance of the Goldberg Variations. Vinikour makes the journey through the varied variations with the spirit of an explorer coming upon surprise after surprise. His artistry is vibrant, flexible, clear and keenly attuned to the musical demands. Vinikour's performance maintains the momentum no matter where Bach's lines may be headed or how many voices are active at once.
